

The Australian Bulky Goods Directory 2011/12

Retailers, developers, owners, agents and service suppliers working in retail property in Australia can now have access to a comprehensive listing of Australian bulky goods property.

The 2011/12 Australian Bulky Goods Directory contains comprehensive data on 184 operating homemaker centres and 35 non-operating centres plus 20 major bulky goods precincts across Australia.

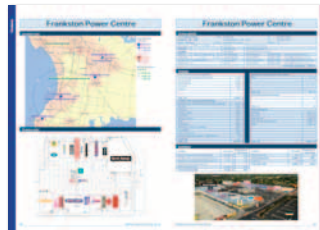

Additionally, for the first time ever, the directory includes a Retail and Associate member contact list.

It is a joint initiative of the Bulky Goods Retailers Association Limited and Deep End Services.

See below to view The Australian Bulky Goods Directory 2011/12 contents, introduction and sample pages, and to download an order form.
